Re: Application No. JMY-1001

INFORMATION DISCLOSURE STATEMENT

Dear Sir:

At the time of the filing of this application, the Applicant knows of no information that describes the function and/or structure of the disclosed invention. The Applicant has not caused a comprehensive search to have been made concerning the invention disclosed and claimed in the application. However, the application lists six patents, which are different in function and structure, but could be pertinent to the examination of the presently disclosed application.

Respectfully,

*Jack M. Younse*
